

FleetCam® Explosion Proof Camera

- Durable Design
- IP69K Waterproof Rating
- High-resolution 720p video with infrared
- Vacuum sealed and nitrogen filled

DESCRIPTION

The Fleetcam Explosion Proof camera gives you a crystal-clear image with the added protection of a high-graded shockproof, aluminum die-casting. The IP69K rating means this camera is dust-tight, protects against high temperatures, and defends against high-pressure water and streams. The Explosion Proof camera also comes with infra-red to show high-quality images, even in low-light conditions.

IP69K Rating

This model holds up to extreme conditions and protects against dust, high-pressure water, and high temperatures.

720p with infrared

See clearly with high-resolution 720p image day or night thanks to a powerful camera and infrared technology.

Durable and stable

An aluminum die-cast casing and sturdy internals give this model a high-grade shockproof rating.

Explosion proofing

Vacuum sealing and nitrogen fill ensure this model neutralizes the possibility of sparking and causing an explosion or fire.

SPECIFICATION

Image Device	1/2.8" SONY Color CMOS
TV System	NTSC/PAL
Pixels	1280x720
Resolution	720P
Minimum Illumination	0 Lux
IR-CUT	Automatic switch, day and night mode
IR LEDs	10pcs
Video Output	1.0 Vp-p/75 Ω m
Scanning System	Auto
AGC	Auto
White Balance	Auto
Electronic Shutter	Auto
Power Supply	DC12V
Lens	2.5mm
Lens Angle	130 degree
Protection	IP69K (Vacuum sealed & Nitrogen-pressurized)
Shockproof	10G
Housing	Aluminum Die-Cast
Operating Temperature	-40°F - +140°F (-40°C - +60°C)
Humidity	95% Max
Dimensions	2.9(W) x 2.5(H) x 2.2 in(D), (75 x 64 x 56 mm)
